

## NEA Donation to Full Circle Adult Day Center

At the April 17<sup>th</sup> NEA meeting, the membership approved a \$600 donation to the Full Circle Adult Day Center (<http://www.fullcircleok.com/>). The Center requested the money for the purchase of a vacuum cleaner and several portable DVD players.

Here's a thank you from the Center's Life Enrichment Director:

Jami & All Employees of the  
Nat'l Weather Center:

Thank you so much for the  
very generous donation! We  
are so grateful to have  
such great supporters in  
our community. Full Circle  
would not be able to  
carry out our mission without  
people like you!

Jennifer Voss  
Life Enrichment Dir.

This is just another way that we work together to support others!

Thank you, NEA!
