NOAA Employees Association (NEA) at the National Weather Center (NWC)

**NEA Meeting
Monday, January 11, 2010
NWC, Room 3910**

Dave Imy called the meeting to order at 11:32 am CST. Thirteen members were in attendance.

The purpose of this meeting was to vote on the two proposals made at the December 7, 2009 meeting:

1. Provide \$1000 to the Heart of Oklahoma Chapter of the American Red Cross.
2. Provide \$1000 for Meals on Wheels

Since our previous meeting, a number of members have become aware of a serious funding problem for the Women's Resource Center (WRC). The WRC serves the Norman area and assists women and children seeking refuge from domestic abuse and/or seeking housing. The WRC has had to cut counseling services and lay off staff because of the drop in donations and United Way funding.

A new proposal was made to provide \$2000 to the Women's Resource Center. This proposal was seconded and will be voted on during the next NEA meeting, which is expected to be during the week of January 25.

Proposal #1 was brought to a vote. There were two yes votes previously made to the president, but those in attendance voted No. The proposal was voted down.

Proposal #2 was brought to a vote. There were two yes votes previously made to the president, but those in attendance voted No. The proposal was voted down.

The meeting was adjourned at 11:47 am.
